Los Angeles, CA, June 16, 2008 - Axia3 Heartburn Extinguisher® (www.Axia3.com), the fast acting, all natural treatment for heartburn, proudly announces its selection as the preferred antacid among a majority of participants in a major, independent blind study concerning various prescription and over-the-counter remedies for this chronic ailment. This Axia3 Heartburn Extinguisher® with a patented blend of time-released digestive enzymes contains a month's supply of 30 tablets and retails for \$9.99 at Whole Foods locations in Southern California, and nationally through GNC and Vitamin World.

"Axia3 Heartburn Extinguisher® consistently relieves the most severe forms of heartburn and indigestion without further compromising people's health or undermining their choice of all natural ingredients. This study is conclusive proof of our ongoing popularity among a significant cross-section of highly scrupulous consumers, all of whom have previously tried multiple treatments to address this problem," said Ryan Doheny, Cofounder of Axia3 Heartburn Extinguisher®. "The testimonials on behalf of Axia3 Heartburn Extinguisher® reflect a depth of unrivaled passion and frankness. Indeed, many of the respondents were extremely grateful that we spent the time to learn about their stories and further the campaign to successfully combat this medical condition."

The Quickest Delivery of Pain Relief

Personal praise for Axia3 Heartburn Extinguisher® is part of the brand's hallmark, reflecting influential consumer sentiment. "Axia3 Heartburn Extinguisher® was

the quickest delivery of pain relief of ANY heartburn medicine I have ever tried," stated a survey respondent. "Nothing matches Axia3 Heartburn Extinguisher® as both an all natural antacid breath mint and an over-the-counter means of powerfully treating stomach upset, acid reflux and heartburn. I suffered terribly from this problem myself, which led me to create Axia3 Heartburn Extinguisher®," declared Doheny.
